PROFILE

Passionate final-year dental student who will be graduating in December 2023 seeking a recent graduate dentist position that allows me to continue providing patients with a comfortable and great experience. I am excited to find opportunities to apply my special interest in improving patients' oral health and building up their confidence levels. I strongly value self-reflection, empathy towards patients, and quality care. I am looking for a workplace that can offer a nurturing environment, providing mentorship and support as I continue to maximize my skillset.

EXPERIENCE/PLACEMENT

PLACEMENT - (MAY 2023 – PRESENT)

Ipswich Community Dental Clinic - Ipswich, Australia

- Experience with ISOH patient management software.
- Completed treatment from simple to complex (RCT, surgical extractions, crowns, dentures, restorations, splints fabrication).

PLACEMENT - (JAN 2023 – MAY 2023)

Toowoomba Oral Health Clinic - Toowoomba, Australia

- Familiar with ISOH patient management software.
- Completed a range of simple and complex treatments in rural Queensland (2 hours inland from Brisbane).

DENTAL ASSISTANT - (FEB 2021 – APR 2022)

Linda Ang Dental Clinic - Hamilton, Australia

- Assisted dentists in performing a range of treatments.
- Collaborated with colleagues in a team-based environment to ensure optimal patient care and smooth clinic operations.
- Enhanced patient communication skills through interactions and learning opportunities with experienced dentists, contributing to improved patient experiences and satisfaction.
- Gained exposure to billing processes and clinic management aspects, expanding knowledge of administrative functions within a dental practice.

SHADOWING EXPERIENCE - (NOV 2018 – DEC 2018)

Dr. Khoo's Dental Clinic - Johor, Malaysia

- Engaged in a shadowing opportunity at Dr. Khoo's Dental Clinic in my hometown prior to enrolling in the School of Dentistry.
- Gained firsthand exposure to a professional dental environment, observing various dental procedures and patient interactions.
- Developed initial insights into the dental field, sparking my passion for dentistry and confirming my pursuit of a career in oral healthcare.

EDUCATION

BACHELOR OF DENTAL SCIENCE (HONOURS) - (FEB, 2019 – PRESENT)

UNIVERSITY OF QUEENSLAND - Herston, Australia

- Proficient in a range of dental procedures, from simple to complex, including root canal treatments, extractions, crown placements, denture fittings, restorations, and treatments for periodontal and paediatric cases.
- Familiar with ISOH patient management software, enhancing efficiency in patient record keeping and management.
- Multilingual proficiency enabling effective communication with a diverse patient base.
- Recipient of the Dean's Commendation for academic excellence in 2020, reflecting a strong commitment to learning and achievement.
